Roger,

The Board of Directors of RTOERO appreciate the work done by ACER-CART on behalf of all the teachers of Canada. Consequently, we have forwarded to you the sum of \$10,000 to utilize as the organization deems important, whether it be for advocacy during the upcoming election or research during the next few years. All of our 82,000 members wish to commend you for your strong efforts, and we wish you continued success in your projected endeavors during this upcoming year which will require much effort on the executive's part.
