ACER-CART Priorities 2024-25

ACER-CART will continue elevating the profile of our National Association in our provincial associations and at all levels of government and beyond.

Priority

ACER-CART will, in collaboration with like-minded organizations, to develop strategies for aging at home.

Strategies

- a. Advocate for the development and implementation of National Senior's Strategy which includes a universal national Pharmacare program and combats the move towards privatization.
- b. Advocate for a public health care system that prioritizes care in seniors' own homes for as long as possible.
- c. Support members in their efforts to achieve the full cost of living pension adjustments; and
- d. Complete the strategic plan.
