Objet : Activity Report

Since the meeting activities have been at a standstill. I dealt with issues that stemmed from that meeting and emerging issues. I also monitored like-minded organizations and forwarded the information where it was deemed necessary.

1. Correspondence

The President wrote and sent many letters. Letters for Party leaders were drafted and translated. Unfortunately, the mail strike did not permit its mailing. We had agreed to send them as soon as the mail strike was over, but there was a shift in the government. Now with the proroguing of the legislature, they must be reviewed in light of the new government.

2. Financial

I had asked Samantha for a financial report for the first week of January. In December, I did not remind her of this request. She is on vacation until the thirteenth of January. She will produce a draft year-end financial report and a year-to-date report next week. I will share them as soon as they are received.

I followed up with the two organizations that have as of yet to pay their dues. The cheques could be stuck in the backlog at Canada Post.

3. Corporation Canada

In keeping with the non-for-Profit Corporations Act, I will file the Annual Return Report in January.

4. AGM 2024

Although we are having a Zoom AGM, preparations will need to be started to ensure its success.

Thank you,
